**SUPPORTING DECLARATION TO ACCEPT THE FILING WITH A MISSING
SIGNATURE OF INVENTOR UNDER 37 C.F.R. §1.47(A)**

I, Jonathan Milberg, of 11 Menachem Begin Street, Ramat Gan, Israel, declare as follows:

On December 11, 2005, I personally caused a copy of the above-identified Application, Oath and Declaration, fully filled out for Roni Amrami's signature, to be sent by Registered Return Receipt Mail of the Israeli Postal Authority bearing the attached Tracking Number RA170160259IL to Mr. Amrami's last known address at 37/2 Yarden Street, 20692 Yokneam, Israel. I later received notification from the Israeli Postal Authority from the attached postcard that the addressee did not pick it up from the Post Office. It is customary for Israeli Postal Authority to leave notification in the addressees' mailbox. Mr. Roni Amrami can this be presumed to have refused to pick up the envelope. A copy of the envelope returned to us is attached herewith with a stamp indicating two attempts at delivery and "not picked up" stamped thereon.

A copy of my December 11, 2005 letter that accompanied the application and Declaration is attached herewith. Also attached is the Postal notification, in Hebrew, that the package was not picked up at the Post Office.

Mr. Roni Amrami has never responded to the request to sign the patent application papers and return them to this office. Attempts to reach him telephonically have been unsuccessful.

I hereby further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application of any patent issuing thereon.
